

189A.11 Access by inspectors — acceptance by state agencies.

No person shall deny access to any authorized inspectors upon the presentation of proper identification at any reasonable time to establishments and to all parts of such premises for the purposes of making inspections under this chapter.

When meat has been inspected and approved by the department, such inspection will be equal to federal inspection and therefore may be accepted by state agencies and political subdivisions of the state and no other inspection can be required.

1. No inspection of products placed in any container at any official establishment shall be deemed to be complete until the products are sealed or enclosed therein under the supervision of an inspector.

2. For purposes of any inspection of products required by this chapter, inspectors authorized by the secretary shall have access at all times by day or night to every part of every establishment required to have inspection under this chapter, whether the establishment is operated or not.
